Registers.—Volume XX.

FOR THE YEAR MDCCC.LXXXVI.
THE
Register, Book of Marriages
BELONGING TO THE
Parish of St George,
Hanover Square,
IN THE
County of Middlesex.

1725–1787
EDITED BY
JOHN H. CHAPMAN, Esq., M.A., F.S.A.,
BARRISTER-AT-LAW.

VOL. 1.—1725 to 1787.

LONDON:
1886.
This volume contains the first portion of the Register of Marriages celebrated at the Church of St. George, Hanover Square; it commences at the date at which the church was built, and extends to the year 1787.

At the time when this parish was formed from that of St. Martin's in the Fields it was to all intents and purposes a suburban district. A map of London, published in 1720, shews us that, though Hanover Square itself was built up to the southern end of the Oxford Road, the western building limit was then Bond Street; and on the north side of Oxford Road there was hardly a house westward of Stratford Place which had been built two years before the date of the map. Under these circumstances, as we might expect, the earlier Marriages are comparatively few in number, and it is only as we proceed in point of date that they become more numerous and of greater interest.

The Registers consist of 17 books, stoutly bound, very legibly written, and in a good state of preservation. The entries printed in this volume are contained in the first five of the MS. books, with a small portion of the sixth.

It may be worthy of mention that, in addition to the regular Registers for this period, there are in the custody of the Rector and Churchwardens of St. George three MS. books of great interest, being the original Registers of Marriages by the notorious Alexander Keith and his assistants. These books were found amongst Keith's effects at his death, and were deposited here February 14, 1780. The first, marked A,
is endorsed, "Marriages at St. George's Chapel, Hyde Park Corner," from February 21, 1735, to July 27, 1744. The second, marked B, "Baptisms and Marriages" from July 28, 1744, to September 30, 1749. The third, marked C, Marriages from October 1, 1749, to March 25, 1754. Some idea of the importance of these Registers may be gathered from a note at the end of the last-named book, to the effect that between October 1753 and March 1754, a period of six months, 1136 Marriages took place. On the 24th March 1754, being the day before the Act against Clandestine Marriages came into operation, no less than 61 couples were united by the aid of the Rev. A. Keith. It may be hoped in the interest of genealogists that at some future time these three Registers may appear in print.

Amongst so many entries it is impossible to notice in detail special names or points of interest, but this and to a still greater degree the succeeding volume will afford an interesting and useful field for genealogical work. It may perhaps be noted that the marriage of the Duchess of Kingston is registered March 8, 1769. In the report of her trial for bigamy, contained in the 'Annual Register' for 1776, it is stated that an officer from Doctors' Commons was called to prove the marriage, and that it was alleged to have taken place in February.

The proofs of the first 48 pages of this volume were corrected by Mr. Granville Leveson Gower, F.S.A., who was unfortunately unable to continue the work; to him the Society is indebted for many valuable notes in the earlier portion of the book.

The names of witnesses have been for the most part excluded; but wherever they appeared to be useful for the purpose of identification, or to be of interest in themselves, they are inserted as footnotes.

The thanks of the Society are due to the Rector and Churchwardens of St. George, Hanover Square, for the kind permission to print these Registers, and for the facilities of access that they have at all times so courteously afforded both to the Transcriber and to the Editor. The Society is once more indebted to Mr. J. Eedes for the careful manner in which this portion of the Register has been transcribed. The thanks
of the Editor are also due to Messrs. Mitchell and Hughes for the carefully read proofs that they have submitted to him. An unavoidable delay on the part of the preparer of the Index has deferred the completion of this volume beyond the period at which it was proposed to issue it to the Members of the Society.
